SUBJECT: Complaint Log #1049424 — RPV Contact

The undersigned met with the Reporting Party Victim (RPV) on 04-NOV-11, at 11:00 hours, in the 007th District. The RPV stated that he came into the 007th District station on 19-OCT-11 to get a report because he was being stalked by his former girlfriend, [REDACTED]. The RPV stated that he explained to the accused officers that he had observed [REDACTED] in front of his residence and "she made some kind of hand signal" to him. The RPV stated that he had no Order of Protection against her at the time. The RPV further stated that he explained to the officers that he had observed two men dumping debris in his back yard and he felt that [REDACTED] was responsible it. The RPV stated that the accused officers refused to provide him with a report. The RPV stated that the dumping of the debris had occurred on 18-OCT-11, and that he had called "911" at least 15 times, but the police never responded. The RPV made an additional complaint that he had filed several police reports regarding [REDACTED] stalking him, but "The detectives are refusing to investigate the complaints" ([REDACTED], and another complaint for Telephone Harassment). The RPV stated that the detectives who have handled his complaints against [REDACTED] don't ask him appropriate questions, and make statements like, "You're wasting your time" and "You know this is going nowhere." The RPV stated that he is continually being stalked by [REDACTED] and no one is willing to put all of the cases together to see it.
